# PREMIUM SERVICED APARTMENTS

THE WAY YOU SHOULD STAY IN ANTWERP

This ultra-modern set of newly build design apartments will make you feel right at home.

They all presents stunning views from the floor-to-ceiling windows over Antwerp with his cathedral, his medieval town center, his abundance of designer boutiques and the river “Schelde”. Some of the apartments have magic views over the second largest port in Europe with his romantic twinkling lights during nighttime. A wonderful benefit of staying here is that you have direct access to 3 hectare of landscaped park.

1 bedroom and 2 bedroom apartments are available. The highest quality BoConcept Danish design furniture is used throughout the serviced apartments at “De Lichttoren”

providing the standards that international travelers have come to expect. Each apartment has a fully fitted kitchen, designed in a contemporary style and are fully equipped with all the utensils and appliances needed. All apartments include broadband internet access, cable TV with recording facilities and separate Bluetooth stereo set.

These brand new premium apartments can be rented for just a few weeks, a few months or longer. They are ideal for corporate accommodation, temporary accommodation, short breaks and longer term rentals. A minimum of maid service is always included.

# THE EXPERIENCE

“ The impressive white façade and striking design interior with decorative features. It’s all about the contemporary still sophisticated Danish design.

“ The ultra luxury bedding and the feeling of a 4,5 star XL hotel suite.

“ The property is conveniently located not far from the banks of the river “Schelde, right next to Antwerp largest park “Spoor Noord” and steps away from the iconic “Eilandje” with his Yacht Port but still 5 minutes by public transport from the central station.

---

“ Spacious apartments with BoConcept Danish design furniture fully equipped for complete travel independence but still with cleaning & bed linen facilities and a warm dedicated welcome space and one side management office.

“ Large and spacious design apartments fully equipped for complete travel independence but still with cleaning & bed linen facilities and a warm welcome.
